Dear Parent,

We are pleased that your child has expressed a desire to be part of this outreach. We are happy to seek God with you to determine if this is His plan for his/her life at this time. We too are committed to seeing God's best achieved for your child. King's Kids outreaches are designed primarily for those who **ALREADY** have a hunger for God and are looking for a spiritual challenge that they can take hold of. We know from experience that this outreach will only bring frustration to those who do not come with a heart to learn and grow in God. Your child's walk with God to us is more important than their ability to perform. We appreciate your frankness in supplying the information requested here.

We would also like to encourage you, as parents, to consider participating in this outreach as an entire family. Our heart intention for these outreaches is to provide a means through which the whole family can grow in God together. If you wish to join us on outreach, please complete the rest of this page.
